Town Council Approves Budget For 1973

Revenue Sharing Check Received

Mayor of the Town of Appomattox and the Town Council held the annual banquet for the Appomattox Volunteer Fire Department members on Monday evening, December 18, 1972, at Jeanne's Steak House. Over fifty persons attended the dinner at which time Christmas bonus checks were presented to each of the volunteer firemen, compliments of the citizens of Appomattox County.

Dick Bass, Fire Chief, thanked Mayor Pack and members of the council for the delicious dinner and thanks went to Paul Drinkard and James Ford for their efforts in collecting the cash donations from citizens of the county for the nice Christmas bonus checks given each of the volunteer firemen.

He reported that the Fire Department had responded to 51 calls during the year with approximately seven men answering each call.

Immediately following the dinner, the Town Council met in the town office at 8:00 p.m. for their monthly business session.

Mayor Henry Pack presided and all members were in attendance.

Ivey Holland, Chairman of the Budget and Finance Committee, reported that his committee had been meeting and had prepared copies of the proposed budget for members of the council.

The total of the proposed budget for 1973 amounted to $116,390.00. A motion that the proposed budget be accepted was made by Ivey Holland, seconded by Robert Hubbard and the council voted to accept the budget as presented. A copy of the budget will be published in the **TIMES-VIRGINIAN** at a later date.

The total of the budget for 1973 amounting to $116.390.00 compares with a total budget of $99,960.00 for the year of 1972, an increase of $16,430.00 over last year.

In other business before the council, it was reported that it will be necessary for the town to have a Public Hearing regarding the Zoning changes.

A motion was made and seconded that the Mayor of Appomattox be given authority to set the date and time for the Public Hearing. Members of the council approved the motion.

William Slagle, Town Manager, reported that the water line in front of the Appomattox Intermediate School had been completed but is not in use as yet.

Slagle further reported that the town had received a Revenue Sharing check in the amount of $7,159.00, covering the period from January through June of 1972, and that the check had been deposited in the bank in a separate account. Slagle stated that in the future Revenue Sharing checks would be paid on a quarterly basis.

In other business before council, Slagle reported that building permits had been issued to the following; Mrs. Nellie P. Almond for a residence at 311 Edgewood Street; Frederick C. Krantz for a residence at 309 Edgewood Street; A. E. Hopkinson for an addition to his office at 111 E. Lee Grant Avenue; Clover Hill Manufacturing Company for 2 homes at 111 and 113 Morris Avenue; Mrs. Tilden Lee for a utility building at 115 Lee Street; Clyde Campbell, Inc. for dwellings on lots 31 and 32 on Edgewood Street; Clyde Campbell, Inc. for dwellings on lots 33 and 34 on Edgewood Street; and to Floyd Flint for a dwelling on the corner of Anne and Ethel Streets.

Chrismon Tree Lighted At Memorial Methodist Church

On Sunday, December 17th, the 16 foot Chrismon Tree was lighted at the Memorial United Methodist Church at 5:00 p.m. The tree stands in the sanctuary of the church and is open for the public to see each day and night.

Decorations on the tree are called Chrismons or "Christ Monograms" and were first made in the Lutheran Church of Ascension in Danville, Virginia. The Chrismon Tree actually originated in our own state of Virginia.

All the Chrismons on this tree, made by members of the Memorial United Methodist Church, were made in combination of white and gold. The color white is our color for Chrismons and suggests innocence and purity and the perfection of our Saviour.

There are 200 lights on the Chrismon Tree and they are clear white mini-lights, one for each family in the church.

The color gold is a symbol for the glory and majesty of God and the Son of God. This is also from Biblical usage.

If you have not already seen the Chismon Tree, you are invited to stop by at your convenience and see the beauty of this tree.
